

APPLICATION FOR TRAINING

Name	Email Address	Phone Number

Research Advisor	FAS or AIS Account Number	Desired Training: MALDI MS, MALDI MS/MS for Proteomics, or GC-MS

Project Title	

Do you have previous experience in mass spectrometry? Yes No

Please provide a brief description of your research and how you plan to use mass spectrometry to advance your project.

I have discussed the application of mass spectrometry to this research project with the lab member listed above and have consented to pay for their training. I understand that the basic training will include approximately 1 hour of lecture and 2-3 hours (for GC-MS or MALDI MS) or 5-7 hours (for MALDI MS/MS for proteomics) of individual hands-on instruction (\$60/hour).
